Never Carried Out.

MOSCOW, May 31.—The disaster on the  
Khodinskoje plain yesterday is constantly  
gaining in proportions as the investigations  
by the authorities continue. There are  
made under difficulties, as the recovery of  
the victims was conducted by hundreds of  
volunteers and many were carried away  
before they were enumerated. Many addi-  
tional deaths of the injured, who were car-  
ried away, are occurring which are only  
added to the enumeration after the fact. It  
is now said that the total fatalities will  
amount to between two and three thou-  
sand, but it is impossible yet to ascertain  
accurately the extent of the disaster. An  
official statement issued this morning places  
the number of dead recovered at 1,336 and  
the seriously or fatally injured at 286. In  
contrast with all this official statement  
there are 1,282 corpses lying this afternoon  
at the cemetery, besides the many dead and  
dying that are known to have been removed  
from the ill-fated field by friends.

Last evening, after receiving deputations,  
the czar and czarina attended and danced  
at the feast at the French embassy. Pre-  
parations had been made on a most elab-  
orate scale for this ball, and it is as-  
serted that \$70,000 was expended on the  
superior alone, rare viands and delicious  
fruits and vegetables being brought from  
the most distant climes to add to the deli-  
cacies of the French kitchen. The czar and  
czarina were not informed yesterday of the  
disaster, owing to her delicate condition.

While the dance within the French embassy  
continued, the czar and czarina were en-  
treated to leave the ball and visit the em-  
bassy. Preparations had been made on a most  
elaborate scale for this ball, and it is as-  
serted that \$70,000 was expended on the  
superior alone, rare viands and delicious  
fruits and vegetables being brought from  
the most distant climes to add to the deli-  
cacies of the French kitchen. The czar and  
czarina were not informed yesterday of the  
disaster, owing to her delicate condition.

Colonel Sanchez Killed.

HAVANA, May 31.—The local guerrilla  
force of Sagua in operation on the planta-  
tion of Armona, killed five insurgents. Col.  
Jose Sanchez also fell in a personal combat  
with the captain of the guerrillas.

Troops acting as a company had an en-  
gagement near Manicoragua, in which they  
killed five insurgents and one soldier killed  
and five wounded.

The insurgents under Castillo have burned  
the village of Sagua, near San Jose de  
Las Lajas, in Havana province, and com-  
pelled the neighboring residents to burn  
their houses.

A band of bandits, who were passing  
yesterday near Managua, in Havana, who  
were carrying Castillo, in the direction of  
San Jose de Las Lajas, with wounds in his  
leg and head and suffering great agony,  
the insurgents afterwards sent for a soldier  
and this is supposed to have been intended  
to dig Castillo's grave.
